How To Find Us ...

Visitors often assume from our address that The Mounts is a street name in the village of East Allington, however, IT IS NOT. THE MOUNTS IS A VILLAGE IN IT'S OWN RIGHT - SO DON'T FOLLOW SIGNS INTO EAST ALLINGTON.

The Mounts is a tiny village consisting of only eighteen houses, lying on the A381 about a mile to the north-west of East Allington and, because of it's small size, it may not appear on some road maps.

From The A38

Turn south-east off the A38 at Buckfastleigh (named Dart Bridge Junction) onto the A384 towards Totnes. At the first roundabout at Dartington take the second exit (i.e.; almost straight ahead) and at the second roundabout, which is only a few metres further on, take the first exit onto the A385 still going towards Totnes. On entering Totnes, pass under the footbridge then turn right at the first set of traffic lights, onto the A381 towards Kingsbridge.

You first pass through Harbertonford then Halwell and, KEEPING ON THE A381, The Mounts is the next village. Tor Cottage is about 100 yards past the telephone box and is the very last building on the right. From the traffic lights at Totnes to Tor Cottage is 9.4 miles and is about 15 minutes' drive.

From Kingsbridge

Leave Kingsbridge following signs for the A381 and Totnes. As you come down the hill into The Mounts, Tor Cottage is the first building on the left. We are about 3 miles from Kingsbridge.

From Plymouth

Leave Plymouth travelling east on the A379. Pass through the villages of Brixton, Yealmpton, Modbury and then Aveton Gifford, still on the A379. About 1.3 miles after passing Aveton Gifford, you come to a roundabout. Take the first exit and pass through Churchstow. After Churchstow you come to another roundabout, where you take the first exit towards Totnes. You are now on the A381. At the crossroads, go straight across (beware of unseen traffic from left and right) to stay on the A381. At the next roundabout, take the first exit, and The Mounts is the next village on this road. Tor Cottage is the first building on the left as you come down the hill into The Mounts.
