

Directions to Higher Coombe Farm from Kingsbridge/Plymouth direction

Go out of Kingsbridge on Totnes road and turn right at the first turning to East Allington (before The Mounts).

When you get to East Allington village at the T-Junction, turn left towards Slapton. After about 1 mile, you get to Kellerton Cross which is a staggered cross roads. Turn right, signposted to Coles Cross and Sherford.

After another mile, as you go down the valley you pass Lower Coombe Farm on the left. Just before the road starts to go uphill again, take the last left hand track which is signed Higher Coombe Farm, and continue on this track (ignoring right and left hand turnings) until you come to a six bar gate with a sign on it with Higher Coombe Farm.

When you come in through the gate, the drive forks – keep right and you will pass a barn/cottage on the left and a row of pig stys on the right. At the top of the drive, there is a cottage straight ahead of you (Nikki's office) and the farmhouse is on the right, through the arch. Park anywhere!

There is no mobile reception in the valley, so if you get stuck, retrace steps until you are higher up!
